

Shelley Indyk Design & Project Manager
Design Director Indyk Architects pty ltd

Bachelor of Arch Science University of Sydney, Australia
Bachelor of Architecture University of Sydney, Australia
Registered Architect ARB 6590
Director Aboriginal Benefits Foundation

As director of a bespoke Architectural company, Shelley Indyk strives for excellence and innovation in each project her team embarks upon. Shelley's experience includes 30 years experience in highly detailed Commercial and Planning works; Private Houses; and Community based Urban projects and Competitions. Indyk collaborates on large-scale competitions and projects. As leading architect for the Thredbo Masterplan and Interior Architects for many of the five star QT hotels

and numerous Events Cinema projects, Indyk is able to accommodate demanding budgets, coordination of consultants, changing client demands and committee decision making. Indyk's aim is to see her projects to completion and thus has extensive site management experience. Her deep interest in the creative arts has directed her commitment to work with artists in many of her projects, creating unique and most rewarding outcomes for client and audience alike.
